

REMARKSRestriction Requirement

Applicants elect, without traverse, the claims of Group II, i.e. claims 8 to 16, for prosecution in this application. As result, claims 1 to 7 (Group I) and claims 17 to 21 (Group III) have been withdrawn. (Note that the Office Action indicated that Group II contained claims 8 to 15, each directed to a composition. Claim 16, also directed to a composition, was not mentioned. Applicants believe that claim 16 should also be part of Group II, and have assumed that that was the intent of the restriction requirement.)
